The seating map is indicative and is not an official stadium plan. Your exact block and row are allocated by the supplier and confirmed when tickets are issued. Everyone on the same booking is seated together. Middle tier side-on and cornerblocks are available on request.

GETTING TO THE GROUND

Twickenham is a 25 to 35 minute train run from Waterloo. On a three-day event weekend the return leg is the pinch point, so allow well over an hour to get back after the late kick-off. A Richmond or Twickenham-side hotel is worth considering for larger groups.

GOOD TO KNOW

Four Test matches in one city with no internal travel. The teams playing each match are decided by the final tournament standings and confirmed on 21 November 2026, six days before the weekend begins – so this is booked as a weekend of Test rugby rather than as a named fixture. Accommodation is on request and subject to availability.

NOT INCLUDED

International and internal flights · travel insurance · meals and beverages · visas · city tourist taxes · **match-day transfers to the stadium** · items of a personal nature · anything not expressly listed above.
